

**Call for Proposals for a Site Specific Public Artwork
Sponsored by North Oak Cliff Greenspace**

North Oak Cliff Greenspace (<http://www.stevensparkgolf.com/greenspace/greenspace.htm>) is a non-profit committed to enhancing the landscaping and amenities on Coombs Creek Trail and the Stevens Park Golf Course. In addition to landscaping, Greenspace has made possible the Christopher Blay sculpture on Kessler Parkway and Edgefield, exercise equipment at two locations along the trail, and the water fountain on Plymouth and Oak Cliff Blvd.

Greenspace will be commissioning another sculpture in 2018. The location will be one of the islands along the Coombs Creek Trail, located at Plymouth and Oak Cliff Blvd. (in Stevens Park Estates), Kessler Parkway and Colorado (in Kessler Park), or Kessler Parkway and Junior (in East Kessler Park) (see attached maps).

We are requesting proposals from North Texas artists. The sculpture will be purchased by Greenspace. The budget for the artwork is \$3500, inclusive of all materials, supplies, and labor, including any safety modifications. An additional \$1500 will be available for foundation/installation/landscaping costs. The artwork should have a longevity of at least 5 years from date of installation and meet appropriate safety standards for outdoor public works of art. There are no fees for submissions.

Requirements for proposals: All artists must be at least 18 years old. Please submit a letter of interest, portfolio and a description of the work, including intended scale and placement, materials to be used, budget and any maintenance requirements. Drawings or other visual representation of the project should be included. Please refer to the attached map of the proposed locations; proposals should respond to the location and be site specific. Criteria for selection and safety information is available at <http://www.stevensparkgolf.com/projects>.

Please send your submission to greenspacesculpture@gmail.com.

PLANNED TIMELINE

- February 17th 2018: Request for Proposals is announced
- April 1st 2018: Deadline for receipt of proposals.
- April 12th 2018: The Greenspace Art Selection Committee will meet to review proposals and select up to three finalists. The finalists will be reviewed by the Greenspace Board and corresponding neighborhood association Board.
- April 29th 2018: The finalists will present their proposal to the committee.
- May 30 2018: The selected artist will be announced.

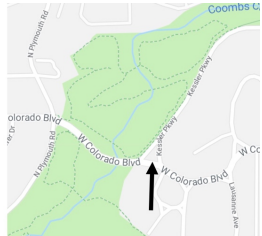

Selection Committee: Bryon Adinoff (chair), Cheryl Freyberg, Kelly Lawson, Kenda North
